

## CAREER OPPORTUNITY

Acid Survivors Foundation (ASF) is a centre of excellence with a vision of Bangladesh free from acid violence, where burn victims, especially women and children, live with dignity.

It is an independent, non-government, non-profit organization, set up as a Trust and registered with the NGO Affairs Bureau of the Government of Bangladesh. It is the only specialized NGO in Bangladesh working to prevent acid and burn violence; empower survivors, especially women and children; and campaign for prevention and elimination of this violence. ASF works with an integrated approach, using a holistic (bio-psycho-social) multi-disciplinary approach backed by research, experience and evidence.

ASF is looking for a qualified candidate for the following position.
